

The booster club is a volunteer-driven, non-profit organization committed to serving and uniting the Cotter community. The booster club will support Warrior Athletics first and foremost in addition to other school clubs and organizations by generating community spirit, promoting community involvement, soliciting donations, raising funds, and also recognizing the programs' needs. The booster club will foster an environment of academic achievement in a fair, professional, ethical, and lawful manner.

Dear Twin Lakes Area Business Owner,

Our area is filled with families and students who take such pride in Cotter schools. Many of these people are your patrons, employees, and possibly your own family members. We believe in helping to support each other. We brought back the Cotter Booster Club in 2012 with members of our community and school family because of a desire serve and encourage our students. We host many fundraisers throughout the year as well as service events help our students and school in many ways.

We are asking for your help with our goal of making the 2016-2017 spirit-filled and fun for our school community and the students we all love and support. To do this, we are inviting your business to join The Cotter Warrior Booster Club. This type of membership does not include voting privileges, but business owners may become members separately through standard membership procedures.

Your membership this summer will carry through the end of 2016-2017 school year and is offered at the following levels:

Silver package - \$100 for membership and to receive a yard sign.

Gold package - \$225 for membership, yard sign and to have your name listed on a Booster Sponsor Banner with the other gold package members to be displayed in the Cotter Collesium.

Platinum package- \$350 for membership, yard sign and an individual banner with your business name, logo and contact information to be hung in the Cotter Collesium before the start of the 2016-2017 school year so that it will be seen at every event hosted in our gymnasium, including open house in August, Volleyball and Basketball seasons in the fall and spring, homecoming, graduation and many other school sponsored events. Additionally, we will highlight your business in Social Media posts with reminders about upcoming Cotter School events. With this sponsorship level, you have the opportunity to renew membership at \$300.00 before the beginning of each school year to keep your sign on display. We just need a logo graphic and any business details you would like to displayed and we will have the sign made for you.

Is there something else we can partner on to help the Booster Club and your business? We welcome your suggestions and support.

Please contact Tracy Adams 404-6297 as soon as possible if you have additional questions or wish to participate, so that we can get you a sign to display at your business. We will also send an invoice for your contribution and/or you can mail your TAX DEDUCTIBLE payment to: Cotter Booster Club, PO Box 223, Gassville, AR 72635.

Thank you in advance for supporting our kids!!
