December 6, 2018

Dear Parents/Guardians,

Cotter Public Schools will use the School Messenger system to announce school cancellations and/or early dismissals. School cancellations due to inclement weather will be broadcast between 5:30 a.m. and 6:00 a.m. If a decision is made after 6:00 a.m., the call will go out as soon as possible. If a decision regarding school cancellation is made in the evening, regarding the next school day, the message will be sent during the evening. Please help us keep our data base up-to-date by notifying the elementary or high school office if your phone number changes.

The School Messenger system notification is sent out as a service to Cotter Public School parents and guardians. Please do not depend solely on the broadcast system for school cancellation announcements. This system is used in addition to announcements on KTLO, KY3, the district Facebook page, and on our website that can be found at [cotterschools.net](http://cotterschools.net)

We recently ran an opt in campaign to add the text messaging service through School Messenger. If you did NOT receive a test message on the afternoon of December 5<sup>th</sup> and you would like to receive text messages, please contact the elementary or high school office to update your contact information. If you have any questions or need further assistance, please call the office in your child's building.

Sincerely,

Vanessa Thomas Jones, Superintendent
