- Snacks
- 8:00AM-11:30AM each day
- FREE to all students currently in grades K-5

## Program Overview

Join us this summer for our 3rd Annual Warrior Summer Camp. Our activities this summer will be STEAM(Science, Technology, Engineering, Art/Design, and Math) based. We are looking forward to a great summer program. Hope to see you there!

**Week 1: Science Week**-activities will be science based with an integration of all content areas.

**Week 2: Math/Science Week**-activities will focus on measurement incorporating science and math.

**Week 3: Art/Technology/Design** -activities will focus on art and design.

**Week 4: Engineering/Math**-activities will incorporate all areas with an emphasis on design and build.

## Registration:

We will be taking forms until May 17th.
