The dismissal bell rings at 2:35. Bus riders will go directly to the cafeteria to wait on the bus. Car riders/walkers should quickly leave the building to watch for their rides. After school transportation arrangements should be made before school.

Nettleton School District has a closed campus policy. No student will be allowed to leave the campus without permission from the office. Parents are required to check out students through the office.

## **Visitors**

Visitors and parents are always welcome at NJHS. All visitors must report to the main office to sign in, leave identification, and obtain a visitor's pass in accordance with the school board policy. Students from other schools will not be allowed to visit during regular school hours.

## **Student Behavior**

Nettleton Junior High School will follow a proactive behavior support system. Schools are successful when they help students grow academically, socially and emotionally. For this to happen, it is imperative that we have a safe environment that is supportive and conducive to growth. By setting clear social and behavioral expectations and directly teaching students about those expectations, it is our goal to create this atmosphere for learning.

One of the most important lessons education should teach is discipline. While it does not appear as a subject, it underlies the whole educational structure. It is the training that develops self-control, character, and orderliness and makes punishment unnecessary. It is the key to good conduct and proper consideration for others.

The following are rules for class behavior:

- Show respect in all comments and actions
- Follow teacher's directions
- Be on time with all class materials
- Keep hands, feet and objects to yourself

- Work toward completion of assignments during class time

Common courtesy is the most important element for success at NJHS. Students are expected to use courtesy at all times with teachers, staff, fellow students, and substitute teachers. Common courtesy is treating others in the manner you want to be treated. NJHS will not tolerate the following behaviors:

- disrespect towards others
- obscene language
- inappropriate dress
- fighting
- smoking
- possession of alcohol, tobacco, e-cigarette (vape), or any controlled substances
- truancy
- tardiness
- cheating
- gambling
- bullying
- disorderly conduct
- destruction of school property,
- inappropriate behavior at school activities
- public displays of affection
- possessing, sharing, transferring, applying, or misusing medication or medical supplies
- anything that is disruptive to the learning process
- possession of weapons of any kind on our school campuses.

Students are not to bring the following items to school:

- electronic games
- radios, CD players, or MP3 players
- cameras
- laser pointers
- cards
- skateboards
- any other item that will distract from the learning process and cause unnecessary security risks.

These items will be confiscated and returned only to the parents at their request and other disciplinary action may be taken.

*Please remember that **all staff members** are authorized and required to enforce school rules. The administration, faculty, and staff believe all students can behave appropriately. Misbehavior is a matter of choice. Every student is responsible for his/her actions. The success of our school depends in a large measure upon the loyalty and the spirit of the student body.*

### **Disciplinary Consequences**

(Also see district policies online)

If student behavior is unacceptable, the following disciplinary actions may be taken:

- Disciplinary referrals
- Conference/warning
- Before school detention
- Lunch detention
- Friday afternoon detention
- Corporal punishment
- In-school suspension
- Saturday school
- Out of school suspension
- Placement at alternative learning environment (SUCCESS)
- Expulsion
- Other actions include loss of privileges, restitution, confiscation of materials, loss of grade or scores, and notification of law enforcement.

This list does not denote an order or sequence of actions. Infractions will be considered on a case-by-case basis and decisions will be made depending upon the age of the offender, severity of the infraction and regularity of the offense.

### **Cell Phones and Other Electronic Devices**

**Students may bring their cell phones, iPods, iPads, e-readers, and tablets to school.** (This policy does NOT include laptops or netbooks.) Students are responsible for conducting themselves in a manner that respects the rights of others. Possession and use of any electronic device, whether student or district owned, that interferes with a positive, orderly classroom environment does not respect the rights of others and is expressly forbidden.

Possession and use of cell phones and electronic devices is permitted at school before (until 7:45 am) and after normal school hours (after 2:35 pm).

These devices are NOT to be used in the hallways between classes.

Use of these devices may also be approved for educational purposes by individual teachers in the classroom.

Misuse of electronic devices includes, but is not limited to the following:

- Using a device during class time in any manner that has not been approved by the teacher.
- Permitting any audible sound to come from the device when not being used for an educational purpose approved by the teacher.
- Engaging in academic dishonesty, including cheating, intentionally plagiarizing, wrongfully giving or receiving help during an exam, or wrongfully obtaining test copies or scores.
- Using the device to take photographs or images in locker rooms or restrooms.
- Creating, sending, sharing, viewing, receiving, or possessing an indecent visual depiction of oneself or another person.

*The student and parents assume any risk associated with the student bringing the device on campus including lost and stolen devices. When a school official confiscates a device, a parent must pick up the device in the office. Students have no right of privacy as to the content contained on any electronic devices that have been confiscated.*

Students are not allowed to take devices into testing rooms during ACT and EOC testing. Any violation of this policy will result in ISS and/or OSS and other disciplinary action as deemed necessary by the district testing coordinator and administration.

### **Cell phone and Electronic Device Disciplinary Procedures**

- First offense – Warning. The device will be confiscated and returned to the parent/guardian.
- Second offense – Afternoon Detention
- Third offense and any subsequent offenses – In School Suspension

### **Technology and Internet Use**

Any student who wishes to use the Internet must sign a contract to open an account. Misuse of the district's access to the Internet whether through a district or student owned device can result in disciplinary action including loss of technology privileges, restitution, suspension, expulsion, failure of a course, or possible referral to law enforcement.

### **Appearance and Dress Code**

**(Also see district policies online at [nettletonschoools.net](http://nettletonschoools.net))**

Students in the Nettleton Junior High School are expected to adhere to standards of dress and appearance that are compatible with a safe and effective learning environment. In addition to other disciplinary action, administrators may require students to change clothing.

Examples of prohibited dress or appearance include, but are not limited to, those listed below:

- Head apparel (hats, scarves, bandanas, picks, combs, etc) or sunglasses may not be worn.
- Wheeled shoes

- Exposed undergarments
- Halter tops, tank tops, spaghetti straps -- Shirt straps must be one inch or wider with no undergarments showing
- Clothing that exposes the midriff or cleavage
- Pants that are baggy or drag the floor (pants should be worn around the waist). Absolutely no sagging pants allowed.
- Skirts, skorts, dresses and shorts may be no more than a dollar bill's width (2 1/2 inches) above the kneecap
- Holes in pants may not be more than 2 1/2 inches above the kneecap
- Spandex, leggings or other very tight clothing (including yoga pants and workout pants). These must be accompanied by a fingertip length or longer top/dress.
- Sleepwear or bedroom slippers

- Clothing that contains advertisements for tobacco, alcohol, or drugs; pictures or graphics of nudity; words that are profane, lewd, vulgar, or indecent or likely to be disruptive to the learning environment
- Items that are potentially dangerous such as fish hooks, chains, or spiked objects
- Any symbols, styles or attire frequently associated with gangs, intimidation, violence or violent groups

This dress code will be enforced at extracurricular events including athletic events and dances. When physical appearance is such that a disturbance is caused at the school, the student may be suspended until attendance is possible without causing such disruptions.

### **Drug-free Zone**

The possession and use of drugs and alcohol by students on school property and/or at any school related activity/event is not permitted. School grounds are, by law, a drug-free area. Violators will not be tolerated. Students violating this policy may be recommended for expulsion. It is the goal of NJHS to maintain a safe and healthy environment for all students and staff.

### **Bullying Policy**

A student shall not engage in repeated or hurtful behavior toward another student or school employee while on school property, in school vehicles/buses, at designated school bus stops or at school sanctioned events. This includes intentional harassment, intimidation, humiliation, ridicule, defamation or threat or incitement to violence. Such behavior may be person to person, communicated indirectly by writing or by electronic means, including the use of computers or the Internet. (Arkansas Law 618514).

### **Fighting Policy**

The penalty for being involved in a fight, defined as an exchange of physical blows (hitting, slapping or shoving), may result in out of school suspension and involvement with law enforcement agencies. Students who instigate fights but are not actively involved (that is, students who carry rumors, put others up to fighting, carry information back and forth between individuals who subsequently fight) submit themselves to the same consequences as those who are involved in the fight. *Students who are intimidated or harassed by another student should report this to a teacher or administrator.*

### **Student Affiliations**

While on school campus or at school-sponsored activities, participation in any type of formal or informal, ongoing organization, society, gang, fraternal club or association as prohibited by Arkansas Law 618601 and 574103 or not approved by the school's administration is prohibited. Participation includes, but is not limited to, producing graffiti, wearing of apparel and its arrangement, manner or grooming, displaying "colors," trademarks or literature, conducting recruiting or hazing such as rites of initiation, or any other display or gesture or signal which would denote membership or implied affiliation with a prohibited group.

## **NJHS Tardy Procedures**

### NJHS Tardy Procedures

Each student will be allowed 4 tardies per semester (Tardies from all classes will be added together, not 4 per class). When a student receives his/her 5<sup>th</sup> tardy for the semester, the Principal's office will give him/her a disciplinary consequence.

The consequences are as follows:

5<sup>th</sup> tardy: Lunch Detention

6<sup>th</sup> tardy: After School Detention

7<sup>th</sup> tardy: After School Detention

8<sup>th</sup> and subsequent tardies will result in In School Suspension

The tardy number will be reset to zero at the beginning of the Spring semester.

### **Lockers, Hallways and Phone Calls**

Students may rent lockers at a cost of \$5.00 each year. Students are not allowed to switch locker assignments or share lockers. Students are responsible for keeping their assigned locker clean and locked. Four minutes is allotted between classes. During this time, students may go to their locker and use the restrooms and drinking fountain. Behavior in the hallways should follow the district student conduct policies. Students should not congregate in the hallways at any time. Unacceptable behavior and loud noise in the hallways will not be tolerated.

The telephone is located in the office and is to be used for school business only. Students may use this phone only during the four-minute period between classes – not during class. Calls received in the office for students should be limited to emergencies. Messages for students should be called to the office before 1:30 p.m. All messages will be delivered to students at 1:40 p.m. each day. Any message received after 1:30 p.m. will **not** be delivered.

### **Selling Goods**

Students are not permitted to sell items such as candy, trading cards, etc. on the school property. Only sales which have been approved by the principal are permitted. Any items being illegally sold and any money collected from that sell will be confiscated and returned only to the parents at their request.

### **School Assemblies and Pep Rallies**

NJHS offers occasional assemblies and pep rallies to encourage school spirit. Students are expected to participate when applicable in an appropriate manner. Students should never display a disrespectful attitude or gesture. When student participation is not applicable, students should remain seated and quiet, paying respectful attention to the program. While enthusiastic yelling is occasionally appropriate during a pep rally, it is never appropriate in an assembly. *Whistling, booing, stamping, shouting, etc. will not be tolerated during assemblies.* When visitors are present for assemblies, ball games, or other school activities students are expected to show our guests respect and courtesy at all times.

### **Flowers and Gifts**

Students are **NOT** permitted to receive flowers, balloons, or similar gifts at school. Handling problems are caused in the office and the instructional schedule is disrupted. Please schedule deliveries to the home of the honored student.

### **Students Leaving School Early**

If a student needs to check out of school before 2:35 p.m., a parent must come to the office and sign the student out. Identification may be required before the student is released.

If the parents are divorced or separated, the student may be released to either parent unless the school has been provided with a copy of the court order or a separation agreement that specifies one parent as

a primary custodian of the student or which specifically prohibits the noncustodial parent access to the child.

A student arriving late or returning to school after having checked out must sign the check in list in the office.

### **Search Procedures**

In its effort to create a safe school environment, school authorities are authorized to search lockers, desks, and automobiles and seize any illegal or contraband materials. Search and seizure procedures will always be used in circumstances which strongly indicate probable cause and the reasonable assumption that an illegal act has occurred or that the presence of contraband material exists. Personal searches will be done if an administrator has probable cause that evidence of an illegal act or contraband is being concealed or that the student has violated a school rule. Students will be asked for their consent prior to a personal search. The use of a drug dog is to serve as a deterrent against drugs being brought onto school campuses. Please see the district policy book for more information on search and seizure procedures.

### **Textbooks**

Students are issued books free of charge. Each student's name will be written in ink on the inside of the book issued to that student. Students should take good care of all textbooks assigned to them for the issued time period. Periodic book checks will be conducted by teachers, and fees for damaged and lost books will be assessed.

### **Attendance and Makeup Work**

**(See the full attendance policy in the district policies online at [nettletonschools.net](http://nettletonschools.net))**

Students under the age of 18 are required by law to attend school regularly and on time. *A student may not have more than 6 absences in a semester.*

### **Prior approval must be secured from the principal for absences related to educational opportunities and religious observances.**

Students who are absent from school are granted permission to make up all missed work. This is the student's responsibility and must be done at the teacher's convenience. A student will receive a zero for work he/she does not make up at the teacher's request. For each day absent, the student will be allowed at least one additional day to complete the required assignment, including tests. Refer to the district policy book for more information.

A student's assignments, books, etc. will not be sent to the office until the student has been absent two (2) consecutive days. Students absent only one day should obtain work upon return to school.

- Have individual conferences whenever a student, teacher or counselor deems it necessary.
- Use a testing program designed to help the student learn as much as possible about his/her capabilities.
- Provide classroom guidance focused on chemical abuse, self-esteem, study skills, and careers.

The counselors welcome the opportunity to conference with any student, parent or teacher.

### **Schedules**

Necessary schedule changes will be made through the counselor's office and should take place only during the first week of each semester. To drop/change a course, students should complete a drop request form which may be obtained from the counselor's office. This form must be signed by a parent.

To withdraw from school, the student must pick up a withdrawal form from the principal's office and have it properly filled out. All NJHS textbooks and MacBook should be returned and any fines or charges paid. No records will be forwarded until all school property is returned and all fines and charges have been paid.

### **School District Residence Policy**

Nettleton Public Schools policy requires that parents **immediately** notify the school office upon change of residence if they move outside of the school attendance area. If parents have provided the school an erroneous address, the student shall be denied continued enrollment.

### **Change in Student Information**

- The medication must be in the original container with the child's name on the prescription.

- Permission for long-term medication must be renewed at the beginning of each semester.

### **Immunization**

The Arkansas Department of Health requires that every student be in compliance with current immunization laws. Students must remain seated at all times, and never push, shove, hit, kick, fight, etc. on the bus. They should never throw anything within or out of the bus. Excessive noises, such as shouting, are not permitted. No disrespectful language or profanity is allowed on the bus. Students are not allowed to eat, drink or smoke while on the bus. *Students must obey the instructions of the driver at all times.* Disciplinary consequences apply to bus-related incidents in the same way they apply to infractions on campus.
