

BEST BUY SUMMER STEM CAMP

This Summer **STEM** Camp is sponsored by **BEST BUY** which includes hands-on opportunities for youth, ages 11 – 18, to develop science, technology, mathematics and engineering skills. Best practices for **STEM** education, show that summer offers a unique opportunity for students to engage **STEM** learning in ways that mirror real-world needs.

Students in this camp will:

- 1) Develop skills in **STEM** areas focusing on multiple types of technology
- 2) Utilize innovative and creative thinking.
- 3) Learn from **Best Buy** Professionals who work in **STEM** on a daily basis including touring the store and all of the behind scenes work involved.
- 4) Interact with **STEM** professionals from campus, from the NE Ark. Area and the Jonesboro Community.
- 5) Use the **Best Buy** materials provided to brainstorm, research, produce, and present a product to their peers and the community.
- 6) Explore college campus including technology and science labs, engineering and mathematics classrooms.

The **MEGA Brain** from UAMS will be on campus for **STEM** and Science campers to enjoy as well. Please fill out an application at the following link:
