The budget for SHAC is \$1000. We need to look into any remaining funds from the recycling contest held during the 2015-2016 school year.

The committee will investigate participating in the recycling contest again. It was also discussed that we would like to purchase recycling bins for various areas on campus. Cory would collect all of the recycling and take it to the recycling center. It was discussed that we would like to purchase bins with lids for paper/plastic/aluminum.
