

SHAC Meeting Minutes - 12/4/17

Meeting started at 5:00 pm

In attendance - Cory Schwartz - Chair, Amanda Hankemeier - Secretary, Codi Kadlecek, Janet Brade, and Annette King.

Future Meetings will be on Mondays at 5 pm February 5th & April 2nd

1. Old Business -

- a. We are still in the process of locating the CATCH materials. Donna was asked to look in the bookroom to see if they can be found there.
- b. The committee agrees that it would be beneficial to continue the maturity program (Pre-cursor to Sex. Ed) with the 5th and 6th grade classes. This year we would also like to include the current 7th and 8th grade class since they have not completed this program. Cory will be contacting Bluebonnet Trails to set up a time in April.
- c. Cory and Andy continue to teach Health in their PE classes even with the absence of the CATCH program.
- d. SHAC's budget was \$1,000. That total will be decreased approximately \$200 for the purchase of the recycling containers. A PO was filled out and turned in on 12/4.
- e. The committee agreed to purchase 3 rolling recycling bins for the Elementary, Middle, and High School.
- f. Cory will be calling the local recycling center to find out any information on a possible contest.

2. New Business -

- a. Ms. King is diligently working on her report for her review later this month. She can answer any questions about the cafeteria review for those interested.
- b. No new business at this time.

Meeting adjourned at 5:33 pm. Next meeting in February.

Respectfully submitted,
Amanda Hankemeier, Secretary
