

Dear Pre K Parents,

Starting in the 2017-2018 school year parents will receive a "Buddy Backpack" that will include several of the following items: Skills Building games for reinforcing vocabulary, rhyming, letter knowledge, category sorts or retelling a story. DVD's will have a variety of songs, stories and nursery rhymes that will support what your child learns at school. We believe the communication to parents is an important piece of helping students become successful learners. The "Buddy Backpack" is a way to involve families in their child's learning. Building a strong relationship between the school and home creates a positive attitude towards learning. Newsletters in Spanish and English will provide valuable information about classroom activities. Parent workshops will offer hands-on ways parents can help at home and experience what the child participates in at school.

Thank you for sharing your child with us. We look forward to learning together and having a fun year.

Sincerely,

A handwritten signature in cursive script that reads "Lisa Nix".

Lisa Nix
