

Advanced Placement English Language and Compositions Summer Assignment

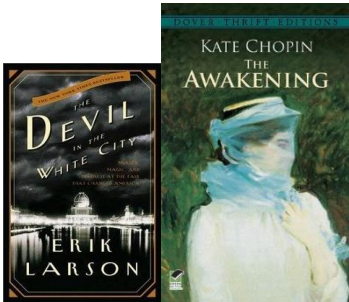

Dear AP English Language Students,

Welcome to our class! I am excited to start working with you! I LOVE analyzing, writing, and teaching persuasion, and literary non-fiction! If you don't feel the same, I assure you will adore working with non-fiction by the end of the year.

The summer assignment will allow you to start using tools that will be invaluable for our next school year.

- 1) **First: Please join the summer assignment Google classroom:** You'll join your individual google classroom when school begins.
 - **The code is -ukfn34u**
 - All of this information will be posted there and a cool forum for you to ask questions from me and get to know your AP-Lang community over the summer.

- 2) Annotating: Read "How to Mark Up a Book." I will post the link to the classroom.
 - Use the information to annotate the following two books.
 - Complete a dialectical journal & submit to turnitin.com the first week of school.

- 3) I will post your ANNOTATION RUBRIC, and other books you'll need to get for the year.

I can't stress enough how important it is to use Google classroom. This is a college level class, with college level expectations. It is fast, it's furious, and we will laugh and learn a lot. Welcome!!

Use the annotation rubric: It will be your VERY best friend!
