Dear Wildcat Parent:

Please understand that Salina Public Schools want all of our Athletes to remain safe and healthy. Therefore, it needs to be understood that workouts during this time are entirely voluntary and not required in any way. There will be no negative consequences for non-participation and athletes are working out at their own risk. Guidelines will be implemented and steps will be taken to help keep our athletes safe. Players will be encouraged to stay in their own personal space and limit contact with their team, coaches and other players. Hand sanitizer will be available at the different sites for players as is needed. This situation is ever changing and the school will continue to adapt as needed throughout this process.

By signing, I state that I have read and understand the information above.
