## Invitation to Parents to Join the District SHAC (School Health Advisory Council)

September 6, 2018

Dear Parent:

Effective coordinated school health programs contribute to helping young people avoid health risks by increasing their skills to make responsible choices about behaviors that can affect their health. As you know, children and adolescents who start their day as healthy individuals learn more effectively and are more likely to reach their educational potential. Responsibility for the health of our youth belongs to their families as well as the entire community. Atlanta Independent School District has an advisory committee that meets 4 or 5 times per year to implement a coordinated school health program. The advisory council advises and supports the schools' efforts to assess their needs and to design programs to help children develop the knowledge, skills, and attitudes they need to become healthy and productive citizens.

If you are interested, you are invited to attend a meeting of, or consider joining, the Atlanta ISD SHAC. This advisory council includes parents, students, teachers, school administrators, voluntary organizations, business representatives, health professionals, and other interested, concerned citizens. Our first meeting for 2018-2019 will be held on Monday, September 17 at 6:00 in the boardroom of the AISD Administration Building. A light dinner will be served.

For more information, please feel free to contact one of the following individuals:

Kristin Thompson, SHAC Chair  
903-748-1687  
Parent SHAC Chairperson
