July 16, 2020

Dear Parents and Staff,

Atlanta ISD has been notified that a female who works for Atlanta High School Has tested positive for COVID-19.

Atlanta High School has been deeply sanitized and the area remains closed at this time. All AISD employees and students are instructed to continue to follow CDC guidelines and recommendations and to practice social distancing.

Based on the information that we have gathered, it has been determined that the end of the 14 day incubation period for anyone possibly exposed on campus to the employee is July 24.

Out of an abundance of caution, we advise you to monitor your health, follow the CDC guidelines for people who have had close contact and contact your primary care physician if you develop symptoms.

AISD is continuing to monitor this situation and will provide additional information as needed. We hope for a successful recovery for our AISD staff member.

Sincerely,

A handwritten signature in black ink that reads 'Sidney Harriot'. The signature is written in a cursive style.

Superintendent of Schools
