SEMINOLE COUNTY: With summer right around the corner, it's time to think about how children who receive free or reduced-priced lunch in school will eat healthy while school is out. Strother Public School provides free meals to children during the summer. Beginning May 14, 2018, Strother will begin their 21<sup>st</sup> Century Program along with serving a healthy breakfast and lunch.

Strother's SFSP will serve meals at the school's cafeteria, Monday through Friday May 14 through until June 11, 2018. (closed for Memorial Day 5-28-18) Breakfast will be served at 8:00-8:30a.m., lunch will be served 11:15-11:45a.m. There is no cost to attend. More information is available at 405-382-0982 or [www.strother.k12.ok.us](http://www.strother.k12.ok.us).

Each year, the U.S. Department of Agriculture partners with local organizations like Strother Public School, to provide free meals to children when school is out for the summer. Anyone age 18 or younger may come and eat.
