Shipping: Our quotes sometimes include shipping, but are usually FOB factory location. We can include a line item for shipping costs on our Quote Form or Order Form. The difference in density and item weight for products (e.g., lapel pins – stadium cushions – lead crystal awards) is too great for a blanket shipping upcharge. We charge our customers exactly what the factory shipper charges us.

Discount: Our discount range is 0-35%. Discounts are determined by item, quantity, and specific manufacturer pricing structure, so discounts vary by quantity even with the same product. Similarly, we cannot offer a blanket discount within specific catalogs. Working from many specialty lines, we can offer you a competitive price for any item in our industry.

Fulfillment Times: The time for production and shipping for our custom-printed items varies, so a flat fulfillment time statement is not possible. Our Quote Forms indicate fulfillment time for each product ordered.

Minimum Order: We have no minimum dollar order requirement, but our manufacturers have minimum quantities for each item.

Problems: Regarding damaged or faulty merchandise, our manufacturers request that items be inspected early for possible damage or problems and that any shipping containers be saved. We only use proven manufacturers. Historically, in instances where there has been a problem, we have always insured that our customer confirms that a fair resolution has been reached.

Over-runs/Under-runs Percent: In the promotional products industry (imprinted items), standard practice is that a manufacturer may ship up to 5% over or under the quantity ordered and charge accordingly. We list the over/under-run percent on our Quote Form or Order Form and invoice the actual quantity shipped. While we regret this practice, we understand it helps keep prices lower and quality control by the manufacturer is enhanced.

Truck/Freight Delivery Policies, Options & Charges

All orders with a Truck Icon and/or in some cases large multi-box orders may need to ship via truck. Truck orders are not eligible for expedited shipping and should allow for extra time in arriving to your destination. Below is some important information to keep in mind if your order is shipping via truck. If you have any questions or concerns please call Customer Service at 877-867-1920:

- **Someone must be present to sign for and receive your shipment** (Note: In many cases trucking companies will call prior to arriving)
- **Count all of the boxes prior to signing delivery receipt** – If count is off; note that on the receipt prior to signing. Then call our Customer Service team at 877-867-1920 for further assistance.
- **If the packages arrive with evident damage** you can either: Refuse the shipment or accept the shipment but note the damage on the receipt prior to signing. Then call our Customer Service team at 877-867-1920 for further assistance
- **Be prepared to unload your delivery from the truck and bring it inside.** Truck delivery is not inside delivery and many include heavy or odd sized boxes. If you will need help, it is always best to arrange for it in advance.
- **Special Delivery Truck/Freight Options available** (You will need one or more of these services if you cannot unload your delivery yourself, do not have a loading dock for truck deliveries or need special handling into the building):
 - **Lift Gate Delivery** – In most cases truck deliveries need to be unloaded via a loading dock for the boxes to be taken off the truck. For buildings that do not have a loading dock a Lift Gate is required to lower the packages off the truck. Once the packages are off the truck and on the ground you are responsible for getting them inside the building. A Lift Gate surcharge of \$79 will be added to your order.
 - **Inside Delivery** – Inside delivery is a service that can be provided in which your delivery will be brought inside the threshold (doorway) of your building. This is not in room delivery or set up and removal of packages. In some cases a Lift Gate charge will be added if a loading dock is not available in addition to the Inside Delivery surcharge of \$49 that will be added to your order.
 - **White Glove Delivery** - Is a full service delivery that can include: Delivery into the building and specific room, complete set up and placement of product and removal of all packaging. White Glove delivery is a separate quote and additional charges will be determined by your needs.
- For further questions on any of these services or White Glove Delivery quote please contact your Account Manager at 800-466-1935.
