

Free Primary Healthcare

brought to you by La Joya ISD

The best way to avoid illness is by taking good care of our families and ourselves. At La Joya ISD, we value the health of you and your family. As a result, we've partnered with HealthSmart Primary Care Clinics to offer a health benefit that promotes wellness through prevention.

La Joya ISD Clinic provides free primary care services to you and your family. Enjoy the convenience of having a professional medical staff onsite to answer questions, prescribe medications and assist with common illnesses and procedures. By utilizing the clinic and its many preventive healthcare benefits, you can control your future costs while staying healthy and educated about the well-being of yourself and your loved ones.

A Licensed Physician is available Mondays, Wednesdays and Fridays from 8 a.m. to 5 p.m. —AND— Tuesdays and Thursdays from 10 a.m. to 7 p.m. Appointments are set on a voluntary and confidential basis. The clinic provides basic health services at no cost, including lab work you would expect from a family physician. Other services include:
