

La Joya ISD Clinic

926 Paula Street
Palmview, Texas
956-323-2590

At La Joya ISD, we value the health of you and your family. As a result, we offer a primary care clinic that provides free health care to you and your eligible dependents covered under the La Joya ISD group health plan. By utilizing the clinic and its many preventive healthcare benefits, you can control your future costs while staying healthy and educated about the well-being of yourself and your loved ones.

A Licensed Physician is available Mondays, Wednesdays and Fridays from 8 a.m. to 5 p.m. —AND— Tuesdays and Thursdays from 9 a.m. to 6 p.m. Appointments are set on a voluntary and confidential basis. The clinic provides basic health services at no cost, including lab work you would expect from a family physician.

Generic Prescription Medications are provided free of charge. These medications treat some of the most common conditions including:

- | | | | |
|----------------|---------------------|-------------|------------------------|
| o Hypertension | • High Cholesterol | • Asthma | • Anxiety / Depression |
| o Infections | • Diabetes | • Edema | • Heartburn |
| o Sore Throat | • Thyroid Disorders | • Back Pain | |

- Not all medications will be available at no charge.
