**2020-2021 Parent-Teacher-Student Compact**

At Domingo Treviño Middle School, we are committed to foster a love of learning by effectively engaging students to think critically through inquiry and collaboration. Our students will acquire the necessary tools to become productive, responsible, and successful individuals in school and beyond. To achieve this, a partnership is needed among parents, students, teachers, and administrators. Together we will create a positive, safe, drug free learning environment, and agree on the following items:

**Teacher/School/Administrators Agreement**

**I will do my personal best as a teacher to:**

- Respect and value all students and parents to offer a safe and welcoming learning environment.
- Modify and enhance my methods of instruction to include Google classroom, but not limited to motivate and encourage my students to facilitate their learning and prepare them for the future.
- Maintain positive communication with all students, parents, and staff.
- Contact parents as needed concerning grades, and assure the students have the needed electronic devices to communicate and connect virtually to prevent absences.
- Keep you informed of your child's progress, incomplete work or absences through various means of communication (telephone contact, text messages, home visit, progress reports, report cards, etc.)
- Seek parent support and participation to work together.

**Parent/Significant Adult Agreement**

**I will do my personal best as a parent to:**

- Ensure my student attends school or connects virtually regularly and on time.
- Check for homework and /or projects daily and ensure work is turned in through the platform or method indicated by the teacher.
- Supervise the completion of my student's homework every day and ensure the work is turned in through the platform indicated or other means as directed by the teacher.
- Show interest and positive support towards school academic plans and school policy.
- Attend school events virtually or in person (Meet the Teacher, Open House, Awards Assemblies, extra-curricular activities, etc.)
- Communicate regularly with school personnel regarding attendance, behavior and academic performance.
- Attend parent education sessions, presentations and training either virtually or in person.

**Student Agreement**

**I will do my personal best as a student to:**

- Attend school every day virtually or in person and be prepared to learn.
- Log in to class virtually or in person daily and on time.
- Complete my classroom assignments and turn in all homework on time through the platform or method indicated by the teacher.
- Follow school rules, regulations and virtual classroom rules.
- Respect other students, teachers, administrators, and all campus personnel.
- Take care of school property including all electronic devices provided.
- Be responsible for my actions at school or virtually.
- Not engage in any bullying activity and report any bullying to the teachers, counselor, or school administrators.
