Date Received: _____

Application Number: _____

Blanco Education Foundation 2020 Innovative Grant Application

Grant Title: _____ **Application Number:** _____
(For Office Use Only)

Narrative should be clear and concise. Do not refer to a specific person. Grant application MUST include each component and should NOT include additional pages. Please do not use a font size smaller than 10 points.

Grant Description:

[Briefly describe the nature of the grant proposal by explaining the overall plan and what need is being addressed. Explain who your grant is targeting (number of students, grade level, and/or subject), and how your proposal will improve student learning.]

Budget Plan:

Total Amount Requested: \$ _____

[Provide a clear and concise plan for use of money to include specific information on materials and equipment needed, sources, costs, shipping and handling, etc. You must use district-approved vendors and district-approved products when applicable. Please include samples, pictures, and specific descriptions. All equipment and technology requests must be reviewed by the technology department.]

How does the grant proposal complement the Blanco ISD mission statement and goals?

[Identify how your grant proposal is consistent with our district mission statement, and the specific district goal that is most closely associated with your proposed grant.]

How will you measure the impact your grant has had on student achievement?

[Identify your plan for self-monitoring, and the data you will use to determine if your grant endeavors were successful. If funds are awarded, you will be required to submit a grant evaluation to the BEF Board.]
