

**Blanco Education Foundation
2020 Innovative Grant Application Rubric**

Grant Title: _____ **Application Number:** _____
(For Office Use Only)

Each category is ranked from 1 to 5 with 5 being the highest. Total possible score is 65 points.
*= scored by district personnel

Grant Description:

Briefly describe the nature of the grant proposal by explaining the overall plan and what need is being addressed. Explain who your grant is targeting (number of students, grade level, and/or subject), and how your proposal will improve student learning.

Need being addressed: _____
Educational enhancement: _____
Number of students targeted: _____

Budget Plan:

Provide a clear and concise plan for use of money to include specific information on materials and equipment needed sources, costs, shipping and handling, etc. You must use district-approved vendors and district-approved products when applicable. Please include samples, pictures, and specific descriptions.

Demonstrates responsible use of funds: _____
**Technology Department Approval:* _____
Samples, specific descriptions provided: _____

Connection to Blanco ISD Mission Statement and Goals:

Identify how your grant proposal is consistent with BISD mission statement, and the specific district goal that is most closely associated with your proposed grant.

**Mission statement:* _____
**BISD Goals:* _____

Impact on Student Achievement:

Identify your plan for self-monitoring, and the data you will use to determine if your grant endeavors were successful. If funds are awarded, you will be required to submit a grant evaluation to the BEF Board.

Measurability of plan: _____
Data used to measure success: _____

Other Things to Consider:

Is the program innovative and creative in nature? Is it sustainable over time? Does it allow for parent and community involvement?

Innovative and creative: _____
Sustainability of grant: _____
Parent/community involvement built-in: _____

TOTAL SCORE: _____
