- Upload, email, turn in 2 pieces of your child's work from the week that shows their progress in completing the learning opportunities in literacy, math or science to [barnesr@clintonsd.org](mailto:barnesr@clintonsd.org), [bakers@clintonsd.org](mailto:bakers@clintonsd.org), [hendrixc@clintonsd.org](mailto:hendrixc@clintonsd.org), [vernons@clintonsd.org](mailto:vernons@clintonsd.org), [bondsk@clintonsd.org](mailto:bondsk@clintonsd.org) .
- Meet Lexia individual weekly goal.
- Work to complete assigned star work in IXL.
- Log into Xtra Math daily and race the teacher.

**Additional Information and goals:**

If you do not have internet access, no worries! Just do your best with the AMI work from PBS and keep reading! Lexia goals for first grade: complete through level 9. XtraMath goals: complete addition at 100% (80% for report card) and then the program will automatically switch to subtraction which should be completed to 80% (but 100% is better)! IXL goals: star work (if you have lessons that you haven't gotten 100% on yet) and weekly diagnostic.
