

## Enrichment Activities for April 13-17

**WE MISS ALL OF YOU!!!**

### Music Monday: Mrs. Farmer -

- Last week, Mrs. Farmer told you to make a percussion instrument that could be shaken. Hopefully you recycled by using something that could have been thrown away. This week, experiment with changing the sound of your instrument. Gather different containers and items to put in them. How does the sound change? Is it louder, quieter, higher or lower sound? Which combination is your favorite? Take a picture or video of what you came up with, and post it on our page.

### Tech Tuesday: Mrs Brown

- For those of you have a device with a keyboard, go to [Typetastic.com](http://Typetastic.com) and practice keyboarding skills for at least 15 minutes
  - K-1st: Choose Unit 1 Keyboarding Adventures (can be done without a keyboard)
  - 2nd-5th: Choose any unit 2-8 (If you don't have a keyboarding device, go back to [code.org](http://code.org) and continue to code.)
  - For those in 2nd - 5th grades: If you would like your log-in to [code.org](http://code.org) or [typingweb.com](http://typingweb.com), you can email me at [brownj@clintonsd.org](mailto:brownj@clintonsd.org) and I will send it to you so you can keep up with your progress as you work.

### Workout Wednesday: Coach King

- Do your warm-ups first:
  - 3-pushups
  - 5-sit-ups
  - 10-jumping jacks
  - 5-squats
- Next, go to *go noodle* and pick your favorite dance or activity to do. Try to get your whole family to join in with you and just have fun moving!

### Thinking Thursday: Mrs. Keeling & Mrs. Smith

- ART: Make an Art folder to keep all of the cool arts and crafts work that you are doing. When we come back to school ( and we will) Bring those folders and we will share and display all of the neat stuff that you are creating. Each week I will offer some ideas and web sites to visit. I have seen some great ideas on social media and some of you have already shared things. Remember the County Fair will come in the fall and we can display some of your Art then. I MISS YOU!!!! This week just make the folder. Decorate it to make it yours!!

### Fun Friday:

- Recipe Reading: Think about your favorite thing to bake. It could be cookies, cupcakes, pancakes, etc. Read the recipe and prepare for your family. Be sure to have an adult to help you with the oven or hot items! If you have siblings, work together to make something for your family. Enjoy!!
