

SPECIAL EDUCATION SUPPORTS

Parents if your child receives special education services from Mrs. Huggins for math or literacy, follow this link. You will find support ideas you can use at home to assist your child with learning. Starting **April 6th**, my students will follow their regular classroom teachers AMI packet online. If you cannot access the packet online, you can pick one up at the school. You may read directions, passages, and answer choices to your child. You may also have your child answer orally while you write their responses if needed. I check my email hourly from 8:00-3:00 M-F and will get back with you asap. I will be contacting you soon, to schedule a phone conference, so we can have your child's annual review. I prefer to communicate by email when possible and you will get a much quicker response. If you have internet, please send me your email address so I can contact you.

Thanks so much,

Mrs. Huggins
