

Students and Parents,

September 7, 2017

Welcome back to school! Once again this year, our school will be participating in the Box Tops for Education™ program. My name is Sarah Jennings, PTO Box Tops Coordinator. Clipping Box Tops is an easy way to help our school purchase what it needs. Box Tops are each worth 10¢ and they quickly add up to real cash for our school. This school year, our school's earnings goal is \$2,000.

To help our school, just look for pink Box Tops on products, clip them, and send them to school with your student. For more information on the Box Tops for Education program, including a list of participating products and our school's progress, visit www.BTFE.com. Be sure to become a member to receive exclusive coupon offers and recipes and learn about extra ways for our school to earn.

This year we are also excited to announce the first-ever National Box Tops for Education Week. It will be held September 24 - 30, 2017. During this time, our goal is to collect as many Box Tops as we can in a single week.

Once collections have been tallied, we will have prizes for the class members that collect the most Box Tops during each 9-week period. There will be one winning class from the CIC and one from Elementary West. Please be sure

and include your child's teacher name on the envelope or baggie you submit so credit can be given to that class. The first prizes for this school year will be awarded in October.

Best Choice and Tyson labels are also accepted by the PTO organization. These labels are sent in through separate submission processes to receive cash and/or educational items for our school.

For those of you who have previously submitted Campbell's labels, we thank you for your participation and support. Campbell's has now ended their Labels for Education program.

I hope you're excited for everything we can do this year with these programs! If you have any questions, please don't hesitate to contact me at either ssjenn46@gmail.com or (316)-253-6422. My goal is to make our school's Box Tops for Education program a huge success this year.

Thanks for your help!

National Box Tops Week

September 24-30

Let the clipping begin!
