

## Scheduling Changes

### Principal's Corner

It has been **COLD** this week, and the ice/snow day was no exception. Please remember to send students with coats every day. Even if we have indoor recess we will still walk outdoors to lunch.

### Upcoming Events

#### **CIC**

- Jan 15 - No School - Staff Development
- Jan 19th - CIC Spring Photos and Class Photos
- Jan 19th - CIC Spelling Bee, 2:00 in CMS auditorium

#### **CMS**

- Jan 15 - No School - Staff Development

Because of the weather this week, we have a few important things to remember for next week:

- The basketball game with Mulvane has been rescheduled for January 16th at the same time and location.
- The sidewalk west of the CIC and CMS will be removed during the week of January 15th. If your student typically walks this route before or after school, he or she will need to think about another route. We will allow students to travel back and forth on the east side of the buildings if that works best for them.
- And a reminder: Spring and Class pictures will be on Friday the 19th of January.

The 6th Grade "The Beatles" program was amazing this week. Great job Mrs. Fountain!

### **PTO Announcements**

\*The next PTO meeting will be on January 29th at 7:00 at Elementary East.
