

## Science Presentations

### Principal's Corner

The first few weeks at school have been full of snow days and sickness. Our nurses sent a note out this week about the flu and how to protect against infection.

### Upcoming Events

#### CIC

- Jan 26 - Student of the Month Character Ed, Honor Roll Assembly, 8:00 a.m. in CIC Gym

#### CMS

- Jan 25 - Student of the Month Character Ed Assembly, 8:00 a.m. in CMS Auditorium

In Mrs Mellen's science class the 8th graders have been working on a demonstration that displays a scientific concept and a presentation to go along with it. Thursday the 5th graders were invited into the classroom and the 8th graders presented their demonstrations. There were foaming chemical reactions, air cannons making smoke rings, a homemade lava lamp, dry ice bubbles, and other interesting experiments. Thank you to the 8th graders for all your work putting on this fun show for the 5th grade. Pictured here are Katey Millege, Sydni Logue, Kalia Spencer, and Katie McCune demonstrating "Elephant Toothpaste."

### PTO Announcements

\*The next PTO meeting will be on January 22nd at 7:00 at Elementary East. Please note the date was wrong in the last newsletter.

## Construction Update

The sidewalk on the west side of the schools will be closed as of Monday the 22nd, so remind your student walking or riding to school Monday morning that they will need to navigate around the east side of the CIC to get into the building.

## Other Announcements

\*The Mulvane Basketball Game has been rescheduled (again) to February 1st.

\*Don't forget to keep saving Mize's Receipts. We will collect them until the end of February. You can drop them off at the CIC Office.
