30	\$55,600	\$57,100
30+	\$56,100	\$57,600

Employees continuing from last year received an increase over their previous year's salary. No employee will be paid above the maximum rate of **\$58,600**. This schedule illustrates full time minimum salaries only. Some employees are paid more than these amounts for additional duty days or stipends for other duties or services. Salary schedules are developed for use in future years but can not be guaranteed from this schedule.
