

Band Members there are several items that you need for this year:

**Perryton Ranger Band Shirt:** I have several shirts that made in past years that I can sell for \$10.00 each, but if we are out of that size and need to order, the price will be \$15.00 due to cost changes. Everyone must have a band shirt for games and Pep rallies.

**Perryton Band Uniform:** Everyone must have a red or White shirt to wear under their uniform, along with a pair of shorts, or wind pants. No jeans are to be wore under the uniform. You will also need a pair of black sock and black marching shoes. People that need shoes need to come by my office to be fitted. We use DrillMasters marching shoes and the shoes are \$37.00 a pair.

**Music Flip Folders:** The price for flip folders is \$7.00, except for Flute and Percussion, which is \$15.00. If you need more pages, they are sold in a group of 4 and are \$1.00  
*(Be sure you write your Name on your Flip folder)*

**Music Lyres (instrument music holders):** are \$10.00 each. Flutes and Percussion don't need this because it is part of your Flip Folder. Tubas don't use Lyres. Saxophone there are several different sizes is it might take a few tries to fit your instrument.

**Instrument Upkeep:** All Instruments need to have a polishing cloth. Cloths need to be ordered through the band office for \$7.00 each.

**Clarinets and Saxophones:** You **must** have **4** Good working reeds at all times. Due to price increases, we are now charging \$4.00 per reed. However, if you buy a box of reeds (10) we will only charge \$30.00 per box.

**Brass Players:** You need to have Valve/slide oil. Valve oil is now \$5.00 a bottle, and Trombone slide oil is \$12.00. Trombone players also need to purchase a spray bottle to help stretch the slide oil's life.

**Percussion:** We will supply **2** sets of sticks for you to use in marching season. If break your 2 sets, you will have to then purchase a replacement set. (\$20 for snare, \$30 for quads).
