Dear Parent/Guardian,

My name is Erica Rosales and I am a parent and teacher here at Perryton Junior High.

Like you, my schedule fills up quickly. There aren't enough hours in the day for everything I would like to get done, and I know my child often feels the same way.

As much as I would like to spend more time at the school, it is not always possible. But our perspectives as parents and guardians is so important. School leaders need to hear from us, and our voices need to be represented when decisions are being made that impact our kids.

That's why I'm asking you to please take just 10 minutes of your time to complete this year's family feedback survey. The survey is completely anonymous, but the results can make a huge difference for our school.

You can complete your survey any time before November 29th by going to surveys.panoramaed.com/esf/179901041family.

The survey will ask you about critical aspects of our school, such as climate and safety. Join me in sharing our perspectives with Perryton Junior High, and be a partner in your child's education.

Thank you for your support, and if you have any questions, please reach out to our school's Survey Coordinator, Principal Garcia at dgarcia@perrytonisd.com or 806-435-3601.

Warmly,

A handwritten signature in black ink that reads 'Erica Rosales'. The signature is written in a cursive, flowing style.

Dear Parents and Guardians:

Beginning October 14th, the Center for Effective Schools will begin administering feedback surveys to families across the state. Your views on matters like the safety of your child at school, the way students at school are taught, and your and your child's connection to school are crucial. These surveys will give you a unique opportunity to provide anonymous feedback about your experiences in these areas and others.

The survey window will be open from October 14th to November 29th. I am writing to personally ask you to complete this survey and help leadership at Perryton Junior High to make improvements.

Starting on October 14th, you will be able to access our school's brief, 10-minute survey by going to surveys.panoramaed.com/esf/179901041family. Once again, anything you share will be completely anonymous and can never be tied back to you.

If you have any questions, please don't hesitate to reach out to our school's survey coordinator, Principal Garcia at dgarcia@perrytonisd.com or 806-435-3601.

Sincerely,

Principal Garcia
