Sonia Parra, Asst. Principal  
Kat Broome, Counselor

## James L. Wright Elementary Parent & Family Engagement Policy

At Wright Elementary, parents and community members are welcome and invited to participate in the various activities and involvement options we have at our school. We believe that active parent/community involvement is essential to ensure student academic success. The following is a list of opportunities/activities for our school:

During each school year, we will have at least two Family nights. These nights will focus on various learning areas: reading, writing, math, social studies and/or science. Students attend with their parent(s) and both are invited to participate in the activities. Parents will receive helpful learning tips and activities to assist their children so they succeed in school.

An introduction and invitation for parent involvement is offered by staff and PTO during registration, the first day of school, open house, as well as throughout the school year to encourage parents and community members to be actively involved.

We provide translators/interpreters at all meetings and activities to assist parents with understanding their student's progress.

During our Annual Open House at the beginning of the school year parents are provided with information regarding Campus and district accountability rating, scoring, the testing process, student preparation, data, trends and results from the previous spring STAAR and TELPAS.

Parents may receive other assessment reports throughout the year that inform them on their child's progress towards their established goals. Each individual classroom has its own method of utilizing parent support depending on the needs of that particular classroom. Parent/Community volunteers are welcome at Wright Elementary.

Wright Elementary, and Perryton ISD, strive in many ways to communicate with parents and ensure they are informed of school news and activities by utilizing various methods of social media, school and district wide SMS messaging, email and phone calls, and an up to date website. Knowledge is power!

Please call the office and inquire about opportunities to get involved at Wright Elementary!
