Dodd City, TX 75438

May 1, 2020

Dear Parent/Guardian:

This letter is in regard to your child(ren)'s transfer status at Dodd City ISD. Our district is a great school district because of our students. Enclosed with this letter is transfer paperwork that must be completed and turned in to either the high school or elementary office depending on your child's grade level. In order for us to maintain the level of excellence, that our teachers and students achieve, we need to ensure that we have accountability for our students.

In order for a student to be accepted into DCISD, as a transfer, they need to follow certain criteria. These students need to have at least an attendance rate of 95% for the year, which translates into eight absences. They need to have passed all of their classes along with their Texas State-Mandated Assessments. They also need to have only received referrals for minor offenses and was not placed in DAEP/JJAEP, suspended, or expelled. Another determining factor for acceptance is if we have the classroom space to maintain effective teaching.

We do appreciate you all for entrusting your child with us. We believe that we have a great school which is evidenced by numerous accolades both in and out of the classroom. Please fill-out the transfer form and return to the office by May 20, 2020. Upon review, by administration, you will be notified on your child(ren)'s acceptance to DCISD.

Feel free to contact the principal or myself if you have any further questions.

Sincerely,

Dr. Jon Hill
Superintendent of Dodd City ISD
