

# CANADIAN ADVANCED ACADEMIC PROGRAM (CAAP)

## GIFTED & TALENTED NOMINATION FORM

### DEFINITION OF GIFTED LEARNER

The Texas Education Code defines a "gifted & talented" student as a child or youth who performs at or shows the potential to perform at a remarkably high level of accomplishment when compared to others of the same age, experience, or environment and who: (1) exhibits high performance capability in an intellectual, creative, or artistic area, (2) possesses an unusual capacity for leadership (3) excels in a specific academic field.

I wish to nominate (name of student nominee) \_\_\_\_\_ for consideration for placement into the Canadian Advanced Academic Program (CAAP). I have read the definition of a gifted & talented student and believe that this student's characteristics are most like the characteristics of a gifted learner. I believe that this child exhibits exceptional ability or the potential to excel in one or more academic areas.

### Statement of Evidence Observed in Student:

(Statement may include superior to very superior academic strengths observed in the classroom performance, home/community, or hobbies related to the persons gifts and talents)

**Definición de estudiante dotado**

El código de educación del estado de Texas define un estudiante dotado y talentoso como un estudiante o joven que muestra la potencia de funcionar a un nivel extraordinariamente alto comparado a otros de la misma edad, experiencia, o ambiente y que 1) exhibe alto funcionamiento y capacidades en áreas intelectuales, creativas y artísticas, 2) posee una alta capacidad de líder y 3) supera en una área específico de academia.

Deseo nominar a \_\_\_\_\_ que sea considerado para ser colocado en el programa de Canadian Advanced Academic Program CAAP (Programa Avanzado Academico de Canadian). He leído la definición de un estudiante dotado y talentoso y creo que las características de \_\_\_\_\_ son como los de un estudiante dotado y talentoso.

**Declaración de Evidencia Observada en el Estudiante:**

(La declaración puede incluir puntos académicos fuertes ya sea superiores o muy superiores observadas en el desempeño en el aula, casa/comunidad, o aficiones relacionadas a los dones y talentos de la persona)
