FEATURES of the Kajeet SmartSpot

- Long battery life provides up to 8 hours* of use on a single charge. * Battery usage varies according to the number of connected devices and level of activity.
- The Kajeet SmartSpot will run on the Verizon 4G LTE wireless networks.
- Supports the latest, most advanced security protocols required by MCISD school district.
- Industry-standard WiFi (802.11 b/g/n)
- Custom-made, protective SmartSpot carrying case for device and accessories.
- Time-based policies allow differentiation for school, home or bedtime.
- Allowed and blocked lists set rules on specific destinations or keywords to local specifications.

Kajeet filtering:

- Fully customize and [filter](#) websites that students can - or cannot - visit
- Set times of day or night appropriate for student use and manage access hours
- [Filter](#) out both inappropriate AND non-educational content
- Receive reports with learning analytics to help improve student achievement
- Reduce unnecessary use of bandwidth and drive down costs for the entire program
- Monitor all device usage and generate useful reports and analytics to understand web traffic activity

The SmartSpot makes it easy for your on-the-go students to safely complete their homework and off-campus assignments without worries of abuse and unnecessary distractions.

Kajeet Education Broadband keeps students focused on schoolwork and not distracted by the social and entertainment content on the Internet. We want to make every effort to ensure students are able to access the educational content they need.

We have read this Parent/Guardian and Student Agreement and understand our responsibilities in the use of the device. We also understand all the policy and procedural expectations and obligations related to the technology immersion program Munday CISD is implementing.
