

This year the Webster Parish School Board has elected to utilize the Community Eligibility Provision (CEP) which allows students to eat free of charge. We are happy to announce that **Brown Elementary** is one of the schools. **ALL** meals served in the cafeteria, Breakfast and Lunch, will be at no cost to parents. You do not have to complete a meal application for the 2017-2018 school year. If your child wishes to purchase extra items as juice, you will need to send money for that.
