It is the student's responsibility to acquire any such course(s) through approved correspondence or distance learning venues. Individual courses may be waived for students with exceptionalities or disabilities that prevent enrollment or successful completion. See reverse side for TOPS Core Curriculum. Beginning with graduates of the 2017-2018 Academic Year, there will be significant changes to both the list of approved TOPS Core Curriculum courses and the Core Curriculum grade point average (GPA) calculation. ⁴ - A qualifying score achieved on a National, International, Military, or Special ACT or equivalent SAT taken no later than April 30 and a first time qualifying score on a test taken after April 30 but before July 1 of the year of high school graduation will be accepted. Scores on tests taken after June of the year of high school graduation will not be accepted unless the student is granted an exception for a score earned on a test taken before September 30 of the year of high school graduation based on proof that the student was prevented from taking the test prior to July 1 due to circumstances beyond the control of the student and attributable to the administration of the test. For an ACT or SAT score to be considered, the student must enter code 1595 on the ACT registration form or code 9019 on the SAT registration form. The score for the writing section is NOT included.

⁵ - Applicable to students who complete a La. If the student previously attended a Louisiana high school, he must complete at least the 11th and 12th grade of an approved home study program.

⁶ - Applicable to students who graduate from an approved out-of-state high school and who meet the residency requirements (See Note 1). Students who graduate from an approved high school located outside of the U.S. may also qualify for a TOPS Opportunity Award with an ACT score of 23 or higher, provided a parent(s) of the dependent student was actively engaged in work or other activity on behalf of a Louisiana employer or sponsor and actually lived in Louisiana for at least the 24-months preceding the date the work or activity outside the U.S. began, and must have remained a Louisiana resident through the date of the student's graduation from high school.

⁷ - A qualified student who enlists and enters on active duty in the Armed Forces within one year of graduation from high school must enroll in an eligible college or university no later than the semester, quarter or term following the one year anniversary of separation from active duty. The veteran must not have been discharged with an undesirable,

bad conduct or dishonorable discharge. A student who meets these requirements and did not previously apply, must file a FAFSA within one year of separation from active duty.

⁸ - Exceptions for "first-time freshman", "full-time and continuous enrollment and/or 24 hour" requirements may be granted for demonstrated cause. Contact LOSFA or go to www.osfa.la.gov/exceptionform for an application.

⁹ - Students who met the academic requirements for a TOPS award and enrolled as a first-time freshman at an out-of-state college or at an eligible in-state college but subsequently enrolled at an eligible out-of-state college may apply for TOPS by submitting the Application to Return from an Out-of-State College no later than July 1st immediately following the semester, quarter or term during which the student returns and enrolls as a full-time student in an eligible Louisiana college. All supporting documents must be received no later than January 15th following the deadline. The student must have met the renewal requirements for TOPS while enrolled out-of-state. Students who first enrolled full-time in a Louisiana college must meet the deadline listed on the reverse side of this brochure. The deadline for students who first enrolled full-time in an out-of-state college is July 1 following the first semester, quarter or term of enrollment at an eligible Louisiana college.

¹¹ - Unless the recipient of an award is ineligible for federal grant aid, a FAFSA must be filed annually to be received by the state deadline of July 1.

¹² - Students who fail to maintain a 3.00 GPA will have their award converted to the Opportunity Award.

¹³ - The academic year begins with the fall semester, quarter or term and ends at the beginning of the following fall semester, quarter or term. All summer sessions and intersessions within this time frame are included. Only courses for which credit is earned during an academic year will be counted towards the 24-hour requirement. In order to earn credit for a course, you must receive a grade of "D" or better.

¹⁴ - Provided that the period of ineligibility did not last for more than two years.

¹⁵ - Any student who successfully completes an academic undergraduate degree in less than the eight semesters of eligibility may receive any remaining award benefits if the student enrolls in a professional/postgraduate academic program at an eligible institution and continues to meet all academic and other requirements for continuation of the award. TOPS may not be used to pursue a second baccalaureate degree.

¹⁶ - Recipients may pursue an academic degree or technical diplomas or both, but may not exceed the award limit.
