

Hollister Elementary School

2020-2021

Hollister Elementary School welcomes visitors to our school! All visitors must check in the front office to obtain a visitor pass. Parents who plan to be within classrooms for parties or presentations should be pre-approved by the teacher who will confirm with the administrator. Parents who are visiting to eat lunch with their child, should only visit the lunchroom and sit at the designated lunch table for guests with their child. Outside organizations should make contact with Dr. Henson for pre-approval. For further assistance, please call 417-243-4025.

(Note: While under COVID19 protocol, no outside guests are permitted into the Elementary building for lunch or classroom visits with students.)
