

Summer School Routes 2019

Below are the 8 bus routes with drop-off points and approximate pick-up times. Please be aware that the (**approximate**) times and pick-up points may change as the routes increase or decrease because of student enrollments and transportation changes pertaining to the safety of our kids. Drop-off points will be the same as pick-up points. We ask that you please be patient with us as we will work daily to stabilize the route times and pick-up points.
