

Summer School Information

March 6, 2019

Student: _____

Grade: _____ Teacher: _____

Dear Parents:

Summer School will begin on May 29th 2019 to June 25th 2019

The Early Childhood Center and Elementary classes will begin at 7:50 am and end at 2:30 pm.

Breakfast and lunch are both free of charge, with breakfast beginning at 7:20 am.

Bus transportation will be provided on a limited basis.

Below are the 8 buses with the pick-up and drop-off points. The attached schedule of pick-up and drop-off points also includes approximate times. Please be aware that the times and pick-up points may change as the routes increase or decrease because of student enrollment and transportation changes pertaining to the safety of our kids. Drop-off points will be the same as pick-up points. We ask that you please be patient with us as we will work daily to stabilize the route times and pick-up points. **Please make a check mark by the pick-up point closest to your home. If your student will be leaving school on a different bus, please mark it clearly as "pick up" and "drop off."**
