WELCOME BACK!!!!

School is back in session ! And things are getting back to normal ! Students are back in the classroom and we are very excited to see people walking down the halls again!

Our creative writing class spoke to a few of our teachers and staff on how they feel about the new year.

Ms. Crawford, the new fourth grade teacher and volleyball coach, said "she is most excited about the new curriculum and getting to be a teacher at the school she attended as a child." Coach Williams, a high school

teacher and coach says "he is most excited to be in charge of lunch detention and making sure students are held accountable for their actions." We also interviewed Mrs. McLendon and she is looking forward to the challenges that come with her new position as principal.

Everybody is looking forward to this upcoming year and all the things headed our way!!!

21-22 Senior Spotlight

Our seniors have "hit the ground running". As soon as school started back, our seniors met and voted on their class motto, class colors, class song, and class flower. The seniors normally do not fundraise at the fair, but due to the Cement Fair being cancelled last year, our seniors wanted one more year to have a booth at the fair. On September 1st, the seniors will take their panel pictures. They will also be ordering their senior t-shirts, caps/gowns, senior products, and announcements. They will also travel to OKC to take their senior personality pictures, and go out to eat.

"I am really excited for this school year. The majority of our seniors are back on campus and we have got many different fun and exciting things planned for this school year. I am always happy to see our students grow and mature, but it makes me somewhat sad to know that this is the last year that I will have with these students. They will always hold a special place in my heart"-Mrs. Sanders

"This class always keeps me on my toes. I wouldn't want to sponsor any other class"-Coach Williams
