Student Code of Conduct and Student Handbook
Receipt and Acknowledgements 2017-2018

Dear Student and Parent/Guardian:

The Bonham Independent School District Board of Trustees officially adopts the Bonham ISD Student Code of Conduct in order to promote a safe and orderly learning environment for every student. The Student Handbook compliments the Code of Conduct while giving information specific to the campus in which your child is enrolled. These documents are located on the District’s website and a hard copy is available for review in the principal’s office.

1. The Student Code of Conduct may be accessed at: www.bonhamisd.org on the ‘Parents & Students Home’ page in the menu on the left side of the webpage.
2. Each campus Student Handbook may be accessed at: www.bonhamisd.org on the ‘Parents & Students Home’ page in the menu on the left side of the webpage.

In order to save money on printing costs, a hard copy of the Student Code of Conduct and/or Student Handbook will only be distributed upon the written request of a student or parent/guardian.

We urge you to read these publications thoroughly and to discuss them among your family. If you have any questions about the rules and consequences, we encourage you to ask for an explanation from the student’s teacher, the school counselor, or campus administrator.

The information in these handbooks is subject to change. I understand that changes in district policies may supersede, modify, or render obsolete the information summarized in these booklets. As the district provides updated policy information, I accept responsibility for reading and abiding by the changes.

In order to simplify the return of necessary acknowledgements, each has been condensed and placed on a single sheet. The student and parent/guardian should sign ALL sections on the front and back of this page and then return the page to the student’s school.

Thank you.

We acknowledge that we have received notification of the locations of the documents and will review the Bonham ISD Student Code of Conduct and Student Handbook for the 2017-2018 school year and that we are responsible for reading and understanding the rules and other information contained in these documents.

I acknowledge that Bonham ISD is providing a portable computing device (i.e. chrome book, netbook, laptop, tablet) for my student’s use at school and may at times provide for use at home. I will exercise my authority to see that my student takes proper care of the device to protect it from unnecessary damage, vandalism, loss, or theft and see that it is returned in good working order when requested by the district. If my child is allowed to take a device home, it is my responsibility to see that my student brings the device to school, fully charged, on a daily basis for use in his/her classes, and returns the device to the district when instructed. I agree that any damage, either accidental or intentional will be reported to the district (campus administrator or class instructor) immediately. The student is to inspect any device issued immediately upon receipt and report any damage to the issuing instructor. Any damage not reported immediately will become the student’s responsibility. In the event of a loss or theft, I agree to report it to the campus administrator and the proper legal authorities. I acknowledge that I could be held responsible for the entire cost of repair or replacement of the device in the event of damage, theft, or loss.
