BHS Boys Soccer

The boys' soccer program saw their first game action this past Thursday at Community High School. They participated in 2 scrimmages and ended the day with one win and one loss. They fought back to beat Garland High School 3-2 in their first game, after trailing 2-0 early on. Tony Cruz had finished with 2 goals and an assist, while Adrian Ibarra assisted on both of Cruz's goals. Second game saw a lot of

the younger guys take action and even though they showed some good things they ended up on the short side of the stick against a strong Community side.

"I am very pleased with the way the boys played in both games, i look forward to a great season."
