BHS Boys Soccer

The boys soccer team had an interesting week. They traveled to Princeton on Tuesday to play their scheduled game but were turned away after trying to wait off a thunder storm. The game didn't end up happening until Thursday night.

The boys went up early in the first half with a great header by Elliott Dennis off a corner kick by Adrian Ibarra. Princeton got the equalizer about ten minutes later. The second half was a true battle with the opponents getting their second goal of the night a few minutes in. In true Warrior fashion the boys fought back and tied it up

late in the half. The game ended with a 2-2 tie which meant it would be decided in penalty kicks. Elliott Dennis, Adrian Ibarra, Blake Bowser, and Nick Rhinehart all connected on their shots. Matthew Vankirk came up big saving the final two Princeton shooter's shots.

The celebrations were short lived as the boys had to face Paris at home the following night.

The storms were nice enough to stay away, but Paris brought all its force into Bonham on Friday. The game started with great play by both teams. Paris went up early but the Warriors

evened it out with a great goal by Nick Rhinehart. After the Warrior's goal, Paris pounced on defensive mistakes by the home team. Paris went up 5-1 in the span of less than 10 minutes. The boys continued to battle throughout the game and got a goal back late in the second half. The game would end 7-2 in favor of the visitors.

These results place us in 5th place, a point behind our next opponent, North Lamar. The game will be at home on Tuesday night. Come out and support our soccer teams so they can continue to fight for playoff contention.

Congratulations to the following ladies for their recognition this season in a very tough and competitive district.
