

## **WARRIOR FOOTBALL NATION,**

We only have four workouts left! The Summer has been flying by which means football season is just around the corner! We are so excited about the next step in continuing to build a championship program and putting the state on notice about the great things happening in Bonham, Texas!

**MANDATORY PLAYER/PARENT MEETING!- Saturday, July 27th @ 10:30 A.M. in the BHS Auxillary Gym. This is for all kids who are playing football entering 7th grade to 12th grade. This will be a meeting full of needed info/dates/expectations as we look to continuing a championship program!**

If you are a parent of a student entering 10th grade and above, please make sure you are checking in with our counselors about credits, GPA, Tests, etc. These things are vital to the success of our Warriors!

Please get your student athlete signed up for an SAT and ACT as soon as possible. Without those scores, your son has no chance to go to the next level. We must make this a priority.

As we continue to build our athletic program, please continue to encourage your student athlete to participate in multiple sports and programs at BHS and LH Rather! This will help us to continue building what was started during our record breaking start in football!

As the school year begins, we will pick up once again our Macho Man Monday and Thankful Thursdays as we focus in on the character and leadership development of all the kids in our program. Please encourage them to take full advantage of these opportunities.

Little Warriors Football Camp and Rising Warriors Football Camp is just around the corner! Please get your future Warrior signed up for this awesome event!! We will have sign ups the day of, but cannot guarantee proper shirt size on the day of, so make sure to get your Warrior's form in prior to Coach Fish! Camp will be held on the grass field next to Finley-Oates.

Please continue to re-iterate these with your son! The more we grow in these 5 Life Skills the more successful our athletes will become on and off the field.
