- Students are expected to keep their lockers neat and arranged.
- Student lockers are for the convenience of the student. This privilege can and will be taken away if the student abuses the privilege by abusing the locker. The locker belongs to the school and can and will be inspected by the Administration periodically.
- Lockers are to be locked; no foreign objects should be used to jam the locking mechanism.
- Gym lockers will be assigned and locks will be issued. It is the student's responsibility to see that his/her gym locker is kept locked. (A charge of \$4.50 will be assessed if the lock is lost).
- USD 333 and CJHS/CHS are not responsible for lost or stolen items.

Driving Regulations

In order to maintain a safe and orderly environment, students are requested to drive with care around the building anytime classes are in session. The SRO will be notified of problem drivers and warrants may be issued. Students are not to park in any reserved area; reserved areas are most commonly marked by curbs painted white. Those students with permits to park in the school parking lot should not double park, park down the center or park in any other way which might block any other vehicle from leaving. Students who violate parking lot regulations could lose privileges for the remainder of the school year. Vehicles not parked in designated parking stalls may be towed at owner expense. If a tow truck is dispatched to tow a vehicle, the student will be required to pay the service call even if they move their vehicle before the tow truck arrives. **Administration may reassign parking spots when needed.**

Media Center

The library will be open to students from 7:45 a.m. until 3:45 p.m. most school days. Permission to use the library before or after these hours must be granted by the librarian in advance.

- Infraction of the bus rules may call for disciplinary measures and/or loss of bus privileges.
- Any student who is involved with athletics or activities will be required to utilize transportation made available by the school district for various events such as “away games and matches”, “music festivals”, and “field trips”, etc.
- If a parent wishes to take their own child home from such an event, they may do so upon making prior arrangements with the sponsor and/or the building principal through a **written request**. Exceptions to this rule need to be cleared through a building principal in advance. Students will not be released to anyone but a parent.
- **All 7-12 Bus students will enter through the Southwest 11th Street Entrance**

Telephone

To limit the number of interruptions to the teaching and learning process, the office staff follows a policy of delivering telephone messages rather than calling students to the telephone during class periods. Students may make phone calls before school, after school or between classes in the event of an emergency.

Policy on Past Grads and Visitors

- **All visitors will need to report to the main office.**
- Students who have someone frequently bringing them to school, waiting to pick them up, or meeting with them at the school are requested to please ask him/her to stay out of the building. Good-byes should be said before the student enters the building. Anyone waiting to pick students up during the day or after school should wait for them in the car.

Lost and Found Articles

- Students are asked to turn any articles found into the main office. Anyone losing an article should notify the office as soon as possible. Students should not bring money or items of value to school. If students choose to do so, they should keep these items on their person at all times.
- The school is not responsible for items lost/stolen at school.

Assemblies

There will be various educational and entertainment assemblies sponsored during the year. College and university groups and local school groups will give assemblies for the student body.

- Courtesy is a must for all assemblies.
- Students are expected to give the speaker or performing group their attention and cooperation so that everyone in the auditorium can hear the program.
- Students disrupting assemblies will be removed and privileges suspended.
- CJSHS is judged by outsiders on the basis of assembly conduct. At pep assemblies, students are expected to cooperate with the cheerleaders, speakers and band.

All pep assemblies or other assemblies must be scheduled in advance by the sponsor through the Administration.

ATTENDANCE

Attendance Policy

One of the most important parts of a student's permanent record is attendance. Regular and punctual attendance by all students is necessary for the proper functioning of the entire school. One of the major causes of failure in secondary school is absenteeism.

Kansas law requires compulsory attendance at school; statute 72-1111 states that "every parent or person acting as parent in the state of Kansas, who has control over or charge of any child who has reached the age of 7 and under the age of 18 and has not attained a high school diploma or GED credential, shall require such child to be regularly enrolled in and attend continuously each school year."

Kansas Statute 72-1113 discusses enforcement of compulsory school attendance, and requiring school boards to establish policy identifying excused and unexcused absences; our board has established the following for excused and unexcused absences:

Excused:

1. Illness- (severe injury or illness: too severe or contagious for the student to attend class), with a parent's call or note, or a doctor's note, or the school nurse
2. Dental or clinical appointments, legal appointments, or school sponsored activity.
3. Prearranged excuses for funerals, family trips, outside organizations, or any other absence the principal gives prior approval for.
4. Severe weather that makes it impossible or impractical.

Unexcused:

1. Skipping school.
2. Non-arranged absence.
3. Leaving school without permission.
4. Absent from regularly assigned class.
5. Leaving for lunch w/parent, without principal prior approval.

School law goes on to explain truancy as a student who misses 3 consecutive days unexcused, 5 days in a semester unexcused, or 7 days in a year unexcused.

Ten Absences: Once a student has accumulated ten absences per year, any additional absences will be considered UNEXCUSED and handled as an unexcused absence. Exceptions to this policy are absences that can be verified by a physician. It is the expectation of the student/parent to provide the physician documentation to the office. This policy does NOT automatically excuse a student for his/her first ten absences from school, as the administration has the final authority to determine whether or not any absence will be excused. *Documentation will be required from a physician after ten (10) absences.*

- Please fill out a Planned Absence Request Form "Blue Form" for all prearranged absences. We will work with you if you work with us. This helps all of us to avoid the issues of truancy as defined in school law in our state.
- **Understand that a parent phone call to excuse a student, for personal reasons, is not an excused absence.** Only the administration can excuse an absence, because law states that a child attending public school is attending under the compulsory attendance law. They are to be at school, unless they fall under an excused absence, as stated above. The administration are also the truant officers and are bound by state law to enforce attendance and truancy law.

- Our automated calling system is activated at 8:45 am. It will call parents who have not notified the school of their student's absence. After this call is made by our automated calling system, absences will be unexcused except for unusual circumstances. The administration will have final authority on this.

Planned Absence: If a student knows in advance that he/she will have a personal absence, he/she must have a Planned Absence form "blue form" signed by all his/her teachers and the Principal before it is turned in to the office. The form must be turned in prior to the planned absence. These forms may be picked up in the office.

A student shall not be allowed to practice, participate in, or attend any school-sponsored activities on a day in which he or she did not attend all classes unless approval is obtained from the administration prior to the event. Students are expected to be in attendance at all classes the day following a contest or activity regardless of the arrival time home unless approval is obtained from the administration. Absences not approved will be considered unexcused. Some exceptions include doctor appointments, school activities, school-sponsored work release, religious observances, attending a funeral or other emergencies as approved by the administration.

TARDIES

Students in academic classes are expected to be in their seats ready for class when the bell rings. Students in lab, activity, or physical education classes where this is not reasonable are expected to be in the room preparing to begin class when the bell rings. Any student not meeting these criteria is tardy.

Tardies will be handled by the administration. First hour tardies should be sent back to the office for admit slip. All tardies will be recorded by the teacher in the student information system.

- Students who are more than 20 minutes late to class will receive an unexcused absence for that period(s).
- Students will be given two warnings prior to punitive action for being tardy to class. The third tardy and up can result in a detention with the teacher at the teacher's discretion.

Permit to Leave the Building Pass

Written permission or telephone permission from the parent must be given to the office before the students will be issued a town pass. A student who becomes ill during the school day must check with the school nurse and/or a principal and the parents will be notified so they will know that the student is leaving school because of illness.

Senior Pictures/Hair Appointments

Seniors are required to have their yearbook portraits taken outside of school hours. Students are expected to schedule hair appointments outside of school hours.

Makeup Work

All work missed because of an excused absence must be made up, whether the absence resulted because of school activities, a prearranged excuse or illness. It is up to the student to get assignments and makeup work completed. Make-up work can be requested by the parent after the student has missed 3 consecutive days of school. Prior to 3 days students/parents can email teachers to request work or get assignments upon return to school. All students participating in extracurricular activities are to make up work missed in advance whenever possible. All work missed because of an unexcused absence will still be required to be completed; however, the best grade that can be earned will be a 60%.

Late work

Each teacher at Concordia Junior/Senior High has an individual policy for late work. This policy is in their syllabus. Please refer to that policy if this situation occurs. In the event of an emergency, or extremely unusual circumstances, teachers will exercise professional judgment or discretion in regards to late work."

Homework/Remediation

- Teachers may choose to assign after school detentions or extended learning opportunities before or after school if assignments are incomplete.
- If incomplete work becomes a habitual problem, parents will be notified and a conference **can be** held with student, parent and teacher.
- Further problems may result in an office referral.

RULES AND EXPECTATIONS

Concordia Jr. /Sr. High School Behavioral Policy

It is our goal at Concordia Junior/Senior High School to provide a safe environment for all students so that the learning process is at its highest level at all times for all students. We ask all students at Concordia Junior/Senior High School to follow five basic guidelines, and to make personal choices with these guidelines in mind:

PANTHER PRIDE

- Presence
 - Showing up to school
 - Punctuality to class and practice
 - Contributing to your school
- Responsibility
 - For your work
 - For your behavior
 - For setting goals
- Integrity
 - Sticking to what you believe is right
 - Being honest in what you do and respecting others
 - Providing a positive example to others
- Diligence
 - Persevering through problems
 - Finishing what you start
 - Avoiding procrastination
- Ethics
 - Standing up for what is right
 - Standing against what is wrong
 - Conducting yourself in a moral and respectful manner

Students are assigned discipline points for violations reported to the office, with proper documentation. **Proper documentation must accompany all referrals. Staff will also document all efforts made to correct the behaviors prior to an office referral unless the situation is an emergency.** An accumulation of points will be made for the entire year. Once certain point totals are reached, more severe consequences are incurred.

The grades that a student receives for each individual class are entirely between the teacher and the student. If for some reason a student feels that a grade was issued in error, he/she should see the instructor. If this does not resolve the matter, the student should see one of the Guidance Counselors.

Grade Cards Available Online

Grades 7-12: Semester 1 (December) grade cards are printed and handed out to students.

Semester 2 (May) grade cards are mailed and contain grades for the entire school year.

Grading Scale

The following grading scale will be used at the Jr/Sr High School:

90-100	A
80-89	B
70-79	C
60-69	D
Below 60	F

Semester Examination

All students are expected to complete finals for each semester as directed by their respective teachers.

Incompletes

- Students who receive an "Incomplete" from an instructor have ten consecutive school days from the designated end of the grading period to change their status in that subject area. At the end of the ten day grace period, a grade of "F" will be entered on the student's transcript unless an extension is requested by the parent or guardian (the request must be made before the end of the ten day period).
- An extension of time contract needs approval of the administration.
- The parents must initiate the extension process.

It also includes attendance at KSHSAA competitions (unless under the direct supervision of a coach), musicals, plays, STUCO activities and dances including prom.

A student who has reached his/her 19th birthday on or before September of the current school year may or may not be eligible for interscholastic activities. Hardship eligibility may be possible for some students. Please see the athletic director if there is a concern.

Students may not engage in outside competition during the season in which they represent the school in that sport. For example, a student may not compete in club basketball during the school's basketball season.

All school dances will have to be approved and scheduled by the Administration. Three faculty sponsors must be present. There will be no student smoking or drinking allowed. A contraband dog may be invited to attend random dances. After the dance has been in progress for thirty minutes, the outside doors will be locked, and no student will be admitted after that time. CHS students, whether participants or spectators, are expected to conduct themselves at all games, matches and activities according to the principles of sportsmanship as outlined in Rule 52 of the KSHSAA manual. All actions should be positive and supportive of CHS, its athletes and teams, and should reflect well on CHS.

The Student Council

The purpose of the Student Council organization is to encourage school spirit, cooperation and pride in CHS. It provides students the opportunity to participate in the government of the school, to promote worthy school activities, to provide a forum for discussion of interest to the student body, to create and maintain standards of good citizenship among the students, to aid in the formation of good school policy and to aid the administration in furthering its policies for the betterment of the school.

The officers of STUCO consist of a president, vice-president, secretary and treasurer. These officers were elected last spring by the student body following a school-wide campaign.

Each class is represented in STUCO by four class officers elected during the spring election campaign.

Some of the duties of the Student Council are conducting elections and sponsoring school dances, homecoming and sports festivals as well as making regulations and any other duties that may be delegated to an organization of this kind. It also acts as a sounding board for the student complaints and cooperates with the faculty and administration in the solution of school problems.

The Student Council Advisor will appoint Junior High and Senior High Student Council members to serve on the Concordia Junior-Senior High Site Council. This will allow students the opportunity to meet with the Principal, Assistant Principal and Counselors along with community and parent stakeholders monthly. It will help keep communication lines open between students, administration and the Board of Education.

Elections of the STUCO officers for the succeeding year shall occur in the spring semester of the present school year as designated by the functioning Student Council in cooperation with the administration.

STUDENT SERVICES

In assisting the high school student in their transition from high school to the post-secondary or work environment the guidance department focuses on three main areas or strategies throughout the students four years of high school. First and foremost is through academic counseling. Included within this area but not exclusive would be academic planning which assesses educational progress and preparation, college visitation and admissions assistance and ACT preparation. The second area of focus is career counseling which offers a wide area of resources and tools for career exploration. The third area of focus is on personal counseling. Counselors are always available to assist students with personal problems or concerns which will aid in their transition to the post high school world. We feel that while focusing on these three major areas of student development then we will cover the comprehensive role of our counseling department and therefore meet the needs of all students.

Career Counseling

Xello an online career exploration resource for students and parents. It includes ccSpringboard an interest inventory program, ccPathfinder for course planning and portfolio completion and ccAchieve a college application planner. SAFETY PROCEDURES

Fire Drills

Fire drills will be held during the school year. The signal for the fire drill is the continuous ringing of the fire alarm bell. To clear the building as quickly as possible, students should follow the fire drill directions posted in each room. Students are not to push, run, shove or make unnecessary noise during the drill. Everyone should move to the sidewalk away from the school building and wait for the all clear signal to be given.

Students who are handicapped will be assisted from the building by their classroom teacher and/or a paraprofessional.

Tornado Drills

Tornado drills will be held as required by state law. The tornado drill will be signaled by a continuous ringing of the classroom bells. Students are expected to move quietly through the halls. Students should follow the tornado drill directions posted in each room and accompany their teachers to the designated area. In the event of an actual tornado warning, students will not be allowed to leave the building unless picked up by their parents.

Students who are handicapped will be assisted to a designated area in the lower level by their classroom teacher and/or a paraprofessional.

Emergency Crisis Drills

Several times a year we will run Emergency Crisis Drills, as mandated by law. These drills may involve classroom lockdowns. Students will be notified in advance of these drills.

School Resource Officer

Officer Doug Thoman is our School Resource Officer. His office is in our front hallway. He works with all students K-12 in USD 333. His number is 785- 614-2502.

Providence Working Canines

Concordia Jr/Sr High School and USD 333 contracts with Providence Working Canines to provide an even safer and more secure campus. The dogs used are non-aggressive and are approachable by students, faculty and staff while on campus. They detect most substances that are not wanted on campus, whether illegal or prescription, excluding tobacco. Providence does an annual beginning of the year student and parent meeting in our theater. Their website is www.providencek9.com.

TRANSPORTATION HANDBOOK

This handbook sets forth the policies and regulations for school bus riders in Unified School District No. 333, Concordia, Kansas. Please read carefully and discuss these regulations with your children.

District buses run various types of routes, including high school, middle school, elementary school, kindergarten, special education, preschool and various combinations of other activities. Buses are on routes of some kind at almost any hour of the day.

Bus driver training is a continuous program in Unified School District No. 333. At meetings held regularly each month, drivers study Safe and Defensive Driving, First Aid, CPR, Student Behavior Management and other subjects related to bus operations. At the beginning of each year, bus drivers take an eight hour defensive driving class to insure that all drivers have an opportunity to stay abreast of their requirements.

The Transportation Director maintains all vehicles within the school district. The buses are inspected daily for servicing, washing, and repairs.

Every bus is equipped with a two-way FM-VHF radio. While within the district, all busses are in communication range. When breakdowns occur, a spare bus can usually be on the scene within minutes.

It is the intention of the Board of Education and the Transportation Department to provide the safest possible pupil transportation service. You, the parent, and the student can help by putting emphasis on keeping noise and movement at a minimum. Remember, every time drivers check on a disturbance, their eyes are taken off the road and chances for an accident are increased.

If there are any questions, please call the transportation office at 243-6033 or the Board Office at 243-3518.

KNOW YOUR DRIVER

Be sure you know the number assigned to your child's bus and then be sure to become acquainted with the driver. Problems are handled best when both parties feel free to call each other.

THE SCHOOL BUS STOP LAW

Most people know that they are supposed to stop when a school bus is loading or unloading passengers. In most cases, routes are arranged so that children are not required to cross major highways, but they may need to do so, on certain county roads. Always be especially cautious when near a stopped school bus.

ROUTING

Bus routes are laid out with primary regard for safety, efficiency, and economy. Buses will be routed as close to homes as possible, but other considerations may make it necessary to have children walk a short distance. This distance is never over one-eighth of a mile. If a private drive is over one-eighth of a mile in length, the bus will pull in

provided there is an all-weather road surface, adequate room to turn the bus around, and no overhanging tree branches.

When conditions warrant, mud routes will be in use. When mud routes are required, the bus will remain on blacktop or gravel roads.

OFF ROUTE REQUESTS

Buses will not take children to destinations off the regular route. Upon a formal written request, the driver may be able to accommodate a drop off at another approved stop with Transportation Department approval.

Drivers are instructed not to leave a child at home if there appears to be no one there. Children will be returned to the school when there is no one at home. Parents who are delayed in returning home should phone the school that their child attends. This will allow the driver to be notified of this fact.

VISITORS

Children are allowed to have visitors ride with them provided there is room on the bus. A written request must be presented to the bus driver in advance and email is more efficient and preferred. If this is not possible, call the transportation office (243-6033) so that the bus driver may be informed.

SCHEDULE CHANGES

If there is a change in your child's schedule, or the child will not be riding the bus, please be sure to send a note for the bus driver and for the teacher. Changes can be called into the appropriate school office before 3:00 P.M. Those students riding buses will be placed on the bus unless the parent has sent a note to the teacher and the bus driver or telephoned in advance.

Notes for the teacher and the bus driver are also necessary when a bus student is to ride a different bus or when a non-bus student is to ride home with a bus student.

WHEN EXPECTATIONS ARE NOT FOLLOWED

The USD 333 Transportation Department makes safety our primary focus whether making decisions regarding inclement weather, emergency evacuation drills or student discipline. All discipline referrals for poor bus behavior will be first handled by each respective building principal with consequences as outlined in each buildings respective student handbook. In the instance the behavior is not corrected or extremely severe, the Transportation Director will become involved with a face to face parent meeting. Transportation privileges may be suspended for a specific number of days or for the remainder of the school year, depending on the severity of the misbehavior.

INCLEMENT WEATHER PROCEDURES

The USD 333 Transportation Department makes safety our primary focus whether making decisions regarding inclement weather, or emergency evacuation drills. When decisions are made to run buses late, or not to run at all, an announcement will be made as soon as possible through our School Messenger system, www.usd333.com, Facebook, Twitter, as well as KNCK Radio (1390 AM) (94.9 FM) on your radio dial for such an announcement.

The Board of Education has indicated when there is any doubt about a situation; the decision will be in favor of not running the buses which might endanger the safety of children.

State law requires that twice a year school buses must conduct an emergency evacuation. Your child may bring home a note asking for your permission to help with the evacuation.
