Dear Camden Fairview School District Parents and Guardians,

Thank you for your patience, understanding and support during these unprecedented times surrounding COVID-19. We know you may have questions and concerns about the district's procedures regarding COVID-19. It is our goal to provide you with accurate, up to date information to help alleviate concerns and address your questions.

Please be assured that the Camden Fairview School District is following all guidelines and regulations mandated by the Arkansas Department of Health, the Arkansas Department of Education, and the Arkansas Activities Association.

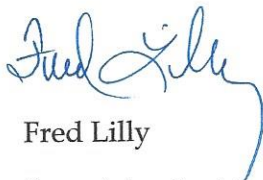

In an effort to prevent the spread of the COVID-19 virus within our staff and student body, we are asking all parents/guardians of students who will be in attendance on-site and all employees to notify our designated Point of Contact (POC) immediately when the following occur:

- Someone in the household has tested positive for COVID-19.
- Someone in the household has been identified as a Close Contact to a positive case of COVID-19 and is requiring quarantine and/or recommended to be tested for COVID-19.
- Students attending on-site and employees who are being tested for COVID-19.
- If symptomatic, student/staff should remain in quarantine pending results of their COVID-19 test.

Call the **CFSD Point of Contact** at (870)833-2756. If there is no answer, please leave a voicemail.

Please know that the Camden Fairview School District's first priority is the safety of all of our students and staff. This is not something that we take lightly. Thank you for your continued cooperation and support.

Sincerely,

Fred Lilly
