

CAMDEN FAIRVIEW PUBLIC SCHOOLS

OFFICE OF THE SUPERINTENDENT
625 Clifton
Camden, Arkansas 71701

At Camden Fairview School District, we take the safety and well-being of our students and staff very seriously. With the report of the first presumptive case of COVID-19 in the state of Arkansas, we understand our parents' concerns and want to provide as much information as possible. Please understand that our state health organization is the lead and authority regarding decisions related to COVID-19.

School officials have not been given information regarding any students and/or staff being exposed to the virus. Camden Fairview School District monitors and follows recommendations from the Arkansas Health Department and the Arkansas Department of Education to ensure we are protecting our students and staff.

Parents are asking about travel over Spring Break. We are waiting on guidance from the Arkansas Department of Health and the Arkansas Department of Education. We will provide updates as we receive information.

As with any contagious disease, the best approach is prevention.

Recommendations include:

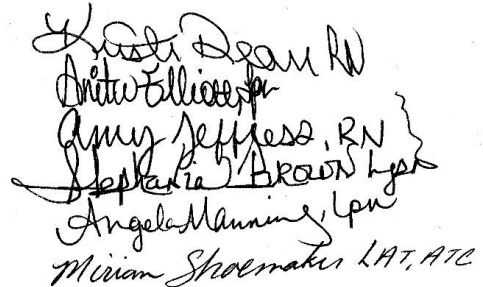

- ❖ avoid touching your eyes, nose or mouth;
- ❖ cover coughs and sneezes; cough into elbow;
- ❖ clean and disinfect frequently touched surfaces;
- ❖ stay home when they are sick; and
- ❖ wash hands often with soap and water for at least 20 seconds.

In situations like these, rumors may cause unnecessary reactions and panic. Therefore, we encourage you to get information from credible sources. The Arkansas Department of Health publishes daily updates online.

Thank you,

Superintendent
