Dear Parents,

As you know, Valentine's Day is just around the corner and many children will receive special gifts at school. Over the past several years more and more children receive gifts such as balloons and glass vases that make their way on to the buses and cause a safety concern for our students. Bus drivers have a difficult time monitoring student behavior as balloons and other large objects obstruct the driver's view.

As in the past all schools in the South Conway County School District will continue to accept Valentines but students will not be allowed to take any item on the bus that will not fit into his/her backpack. If large items are sent as gifts then parents should make arrangements to pick up their child from school.

We hope this arrangement does not cause an inconvenience for parents or students. Feel free to contact your school or my office at 354-9421.

Sincerely,

Brian Bunch
Director of Operations
Director of Transportation
