- I. The Wheeler School Advisory Council of 2018-19 School year was called to order by Mike Bailey and a review of the Council's purpose was done at this time. The combining of the old Site Base Committee and SHAC Committee was addressed to form the Wheeler School Advisory Council.
- II. All members were introduced.
- III. Presentation and Review of the 2018-19 Comprehensive Needs Assessment was gone over at this time. Each member was asked to study the CNA before the next meeting so they could start working on the 2019-2020 CNA in the next meeting.
- IV. Mr. Bailey reviewed the school's 2017 Texas Accountability Rating with the Council and the Distinguishments in Science and Closing Gaps.
- V. No health issues.
- VI. Committee talked about the new purchase of Chrome Books.
- VII. Reviewed new items that were implemented in 2018-19: extra days pushing free and reduce lunch forms;
No Excuse University plans introduced; and a question of whether students that did not have money for the ACT could get some. The question of the ACT expense was yes there will be money for students that cannot afford it.
- VIII. Adjourned at 1:40pm
