

2019 Ride to Provide Sponsorship Opportunities

Ride to Provide

Last year, Ride to Provide successfully raised approximately \$7000 in support of Logan-Rogersville and Fordland students. The event will be held **Saturday, July 20th** and begins and ends at Logan-Rogersville High School with 11, 24, 42 and 62.5 mile route options for riders of all experience levels.

The event is a way for us to come together as a community to provide for the health, hunger and hygiene needs of our students. You have an opportunity to give back to the community while promoting your business as a sponsor of the Ride to Provide bike tour.

Care to Learn

Poverty is a growing trend across the nation. Some children are growing up in homes that are not always able to provide for their basic needs. Children may walk to school with no coat or skip school entirely because they do not have clean clothes.

Doug Pitt founded Care to Learn in 2007 after learning about the poverty present in his hometown of Springfield. He saw the need for a program that would be able to provide for the growing health, hunger, and hygiene needs of thousands of children in the Ozarks. Since 2007, thirty-three chapters of Care to Learn have been established throughout the region.

Care to Learn Logan-Rogersville

Like Doug, we have poverty in our own neighborhood. Our Care to Learn chapter supports students in the Rogersville school district. The chapter operates on generous donations from the community and supports programs that respond to the emergent needs of our students- a toothbrush, a coat, deodorant, breakfast. These simple things stand between children and feeling accepted at school—basic unmet needs that cause pain and embarrassment. Care to Learn provides immediate funding and action to meet the student's needs, restore their self-esteem and get them back in the classroom. All local donations go to support only students in the Logan-Rogersville community.
