Pretty Water Families,

I hope you are all doing well. I know you may have many questions about the upcoming school year. My goal is to share a reopening plan with you by July 17th. Things are still changing every day. The CDC is supposed to come out with new guidelines for schools next week.

The safety of our children and staff is our number one priority. We are working on a virtual option for parents who are unsure about sending students to a traditional setting. Pretty Water received an incentive grant and will be purchasing tablets, chrome books, and hot spots to assist with virtual learning. Our goal is to have school as normal as possible while doing everything we can to keep everyone healthy.

I appreciate your patience as we develop our plan.

Sincerely,

*Jeff Taylor*
