Child Mind Institute	<a href="https://childmind.org/">https://childmind.org/</a>	The Child Mind Institute is an independent, national nonprofit dedicated to transforming the lives of children and families struggling with mental health and learning disorders. Our teams work every day to deliver the highest standards of care, advance the science of the developing brain and empower parents, professionals and policymakers to support children when and where they need it most.
Hand in Hand Parenting	<a href="https://www.handinhandparenting.org/">https://www.handinhandparenting.org/</a>	Hand in Hand Parenting helps parents when parenting gets hard. The Hand in Hand parenting approach builds resilient families and supportive communities of parents and professionals.
Love and Logic	<a href="https://www.loveandlogic.com/">https://www.loveandlogic.com/</a>	Love and Logic is a research-driven, whole-child philosophy founded in 1977 by Jim Fay and Foster W. Cline, M.D. It is the approach of choice among leading educators, parents, and other professionals worldwide. The Love and Logic Institute is dedicated to making parenting and teaching fun and rewarding, instead of stressful and chaotic.
Positive Parenting	<a href="https://www.positiveparenting.com/">https://www.positiveparenting.com/</a>	Positive Parenting is a resource for parents, founded in 1995, with the goal to "help parents be the best positive parent they can be." This website gives members access to over 150 audio lessons, 5 audio workshops, parenting success stories, and an online court approved parenting class.
